# Summary of findings

## Overall summary

Kingston upon Hull City Council - 220 Preston Road is a residential home providing care and support for up to 10 people with learning disabilities. At the time of the inspection, nine people were using the service.

The premises is set out over two floors with individual bedrooms and communal bathrooms.

We found the following examples of good practice.

The premises were clean and hygienic with increased cleaning schedules including deep cleaning and regular cleaning of high touch surfaces.

The provider had implemented additional risk assessments for people using the service and staff who could be at increased risk of complications from contracting COVID-19.

The provider managed staff cohorts well to reduce the risk of transmission of infections within the premises.

The provider engaged well with health care professionals to monitor the health and wellbeing of people using the service during an outbreak of COVID-19.

## The five questions we ask about services and what we found

We always ask the following five questions of services.

### **Is the service safe?**

Further information is in the detailed findings below.

**Inspected but not rated**

## **Detailed findings**

## Background to this inspection

We carried out this inspection under Section 60 of the Health and Social Care Act 2008 as part of our regulatory functions. This inspection was planned to check whether the provider is meeting the legal requirements and regulations associated with the Health and Social Care Act 2008.

As part of the Care Quality Commission's response to the coronavirus pandemic we are looking at the preparedness of care homes in relation to infection prevention and control. This was a targeted inspection looking at the infection control and prevention measures the provider has in place.

This inspection took place on 30 April 2021 and was announced.

## Is the service safe?

### Our findings

S5 How well are people protected by the prevention and control of infection?

- We were assured that the provider was preventing visitors from catching and spreading infections.
- We were assured that the provider was meeting shielding and social distancing rules.
- We were assured that the provider was admitting people safely to the service.
- We were assured that the provider was using PPE effectively and safely.
- We were assured that the provider was accessing testing for people using the service and staff.
- We were assured that the provider was making sure infection outbreaks can be effectively prevented or managed.
- We were assured that the provider's infection prevention and control policy was up to date.
- We were assured that the provider was promoting safety through the layout and hygiene practices of the premises.
