Date of inspection visit: 25/05/2018

Date of publication: 15/06/2018

Overall summary

During our announced comprehensive inspection of this practice on 16 April 2018 we found a breach of legal requirements of the Health and Social Care Act 2008 in relation to:

- Regulation 19 Fit and Proper Persons Employed

We undertook this focused inspection to check that the provider now met legal requirements. This report only covers our findings in relation to this requirement.

You can read the report from our previous comprehensive inspection by selecting the 'all reports' link for Bloxham Dental @ Banbury at www.cqc.org.uk

Our findings were:

Are services well-led?

We found that this practice was providing well-led care in accordance with the relevant regulations.

Key findings

- Overall, we found that effective action had been taken to address the shortfall identified at our previous inspection and the provider was now compliant with the regulation.

Background to this inspection

We undertook an announced focused inspection of Bloxham Dental @ Banbury on 16 April 2018. This inspection was carried out to check that improvements to meet legal requirements planned by the practice after our comprehensive inspection on 16 April 2017 had been made.

We inspected the practice against one of the five questions we ask about services: is the service well-led?

During our inspection we spoke with the practice manager and reviewed a range of documentation.

The inspection was carried out by a CQC inspector.

Summary of findings

The five questions we ask about services and what we found

We asked the following question(s).

Are services well-led?

We found that effective action had been taken to address shortfalls we had identified in our previous inspection and staff had worked hard to implement them. For example, recruitment procedures were operated effectively to ensure only fit and proper persons were employed.

No action

Are services well-led?

Our findings

Governance arrangements

At our previous inspection in April 2018 we found shortfalls in the practice's governance procedures that showed it was not well led.

During this inspection we noted the following significant improvement had been implemented since then:

Recruitment procedures were operated effectively to ensure only fit and proper persons were employed.
