# Summary of findings

## Letter from the Chief Inspector of Hospitals

A-Cute Medical Event Services provides emergency and urgent care. The service convey patients to hospital from events. The service location was registered at 19 Bower Close, Holbury, Southampton, SO45 2PR.

On 30 October 2018 we attended the location. However at the time of inspection the provider, A-Cute Medical Event Services Limited, was in the process of moving premises from the existing registered location to a new location. The regulated activities were not being carried on at the time of the inspection. We therefore did not undertake a review of this location however CQC will undertake a review of the active service in accordance with its regulatory function.
