Overall summary

We carried out an announced comprehensive inspection of Park View Medical Practice on 17 July 2018 as part of our inspection programme. The overall rating for the practice was good, however the practice was rated as requires improvement for providing safe services. The full comprehensive report on the July 2018 inspection can be found by selecting the 'all reports' link for Park View Medical Practice on our website at www.cqc.org.uk.

This inspection was carried out on 17 June 2019 to confirm that the practice had carried out their plan to meet the legal requirements in relation to the breaches in regulations that we identified in our previous inspection on 17 July 2018. This report covers our findings in relation to those requirements and also additional improvements made since our last inspection.

Overall the practice is now rated as Good.

Our key findings were as follows:

- The provider had reviewed the system for ensuring the necessary recruitment checks were undertaken for any locum GPs employed.
- The provider had reviewed their processes to ensure two-week wait referrals were made in a timely manner.

Details of our findings and the evidence supporting our ratings are set out in the evidence tables.
