Summary of findings

Overall summary

Hasbury Care Home provides accommodation and personal care for a maximum of 24 people aged 65 and over. At the time of the inspection there were 21 people living at the service.

We found the following examples of good practice.

- Personal Protective Equipment (PPE) such as masks, gloves and aprons were available to visiting professionals on entry to the building.
- People kept in touch with family members via telephone or video calls.
- Where people or staff had received a positive Covid-19 test, the provider followed national guidance relating to self-isolation.
- Staff had received additional training in infection prevention and control and wore PPE in line with national guidance.

Further information is in the detailed findings below.

Hasbury Care Home

Detailed findings

Background to this inspection

We carried out this inspection under Section 60 of the Health and Social Care Act 2008 as part of our regulatory functions. This inspection was planned to check whether the provider is meeting the legal requirements and regulations associated with the Health and Social Care Act 2008.

As part of CQC's response to care homes with outbreaks of coronavirus, we are conducting reviews to ensure that the Infection Prevention and Control practice was safe and the service was compliant with IPC measures. This was a targeted inspection looking at the IPC practices the provider has in place.

This inspection took place on 20 November 2020 and was announced.

Is the service safe?

Our findings

S5□ How well are people protected by the prevention and control of infection?

- We were assured that the provider was meeting shielding and social distancing rules.
- We were assured that the provider was admitting people safely to the service.
- We were assured that the provider was using PPE effectively and safely.
- We were assured that the provider was accessing testing for people using the service and staff.
- We were assured that the provider was making sure infection outbreaks can be effectively prevented or managed.
- We were assured that the provider's infection prevention and control policy was up to date.

We have also signposted the provider to resources to develop their approach.
