Summary of findings

Overall summary

About the service:

Boscobel is a 'care home', registered to provide accommodation and personal care for up to 16 people with learning disabilities. At the time of the inspection there were 13 people living in the home. Accommodation is located over three floors and facilities include a lounge and a dining room and a large garden area.

We found the following examples of good practice.

Social distancing was promoted by the development of multiple sittings at meal times.

The home supported people to make effective use of social media to maintain family contact.

Adjustments were made to support residents and staff who were at greater risk from COVID-19.

Further information is in the detailed findings below.

Boscobel

Detailed findings

Background to this inspection

We carried out this inspection under Section 60 of the Health and Social Care Act 2008 as part of our regulatory functions. This inspection was planned to check whether the provider is meeting the legal requirements and regulations associated with the Health and Social Care Act 2008.

As part of CQC's response to care homes with outbreaks of coronavirus, we are conducting reviews to ensure that the Infection Prevention and Control practice was safe and the service was compliant with IPC measures. This was a targeted inspection looking at the IPC practices the provider has in place.

This inspection took place on 24 November 2020 and was unannounced.

Is the service safe?

Our findings

S5□ How well are people protected by the prevention and control of infection?

- We were assured that the provider was preventing visitors from catching and spreading infections.
- We were assured that the provider was meeting shielding and social distancing rules.
- We were assured that the provider was admitting people safely to the service.
- We were assured that the provider was accessing testing for people using the service and staff.
- We were assured that the provider was promoting safety through the layout and hygiene practices of the premises.
- We were assured that the provider was making sure infection outbreaks can be effectively prevented or managed.
- We were assured that the provider's infection prevention and control policy was up to date.

We have also signposted the provider to resources to develop their approach.
